

Classic vs. P2 Ordering Guide

For Partner Agencies

LANDING PAGE

The changes start on the landing page. Classic on the left and P2 on the right.

Central Pennsylvania Food Bank logo with tagline "No One Should Be Hungry". Below the logo is a "Login" label. The form contains three input fields: "Agency Ref:", "Username:", and "Password:". A "Login" button is positioned to the right of the password field. The version number "V02.01.00.0047" is located at the bottom right of the form area.

Central Pennsylvania Food Bank logo with tagline "No One Should Be Hungry" and affiliations "MEMBER OF FEEDING AMERICA" and "MEMBER OF FEEDING PENNSYLVANIA". The form includes three input fields: "Agency Reference", "User Name", and "Password". It features a green "Login" button and a grey "Reset" button. A "Forgot password?" link is located below the buttons.

HOME PAGE

The home page is very different. Classic on the left and P2 on the right.

Central Pennsylvania Food Bank homepage with a navigation menu (Home, Orders, Agency Pickups, Grants, Statistics, Other Agency Info, My Profile) and an "Order Entry" button. The main content area features a "VIRTUAL TOWN HALL MEETING" announcement, a "Food Bank is closed on February 19th" notice with a table of delivery and order dates for Williamsport and Harrisburg agencies, and a "Notable Links" section.

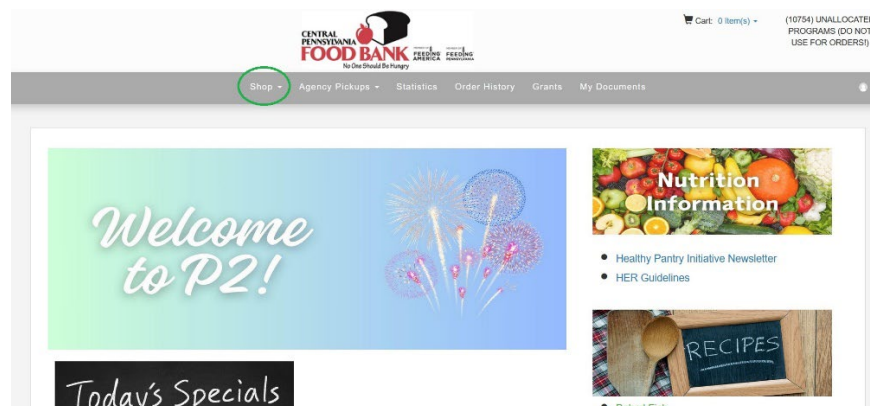

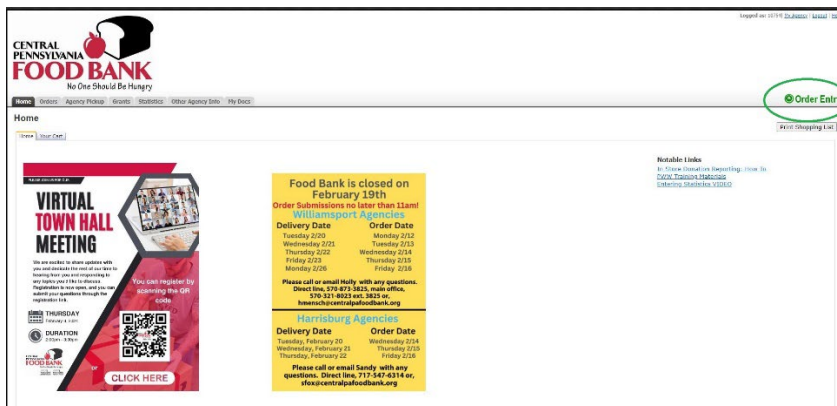

Williamsport Agencies	
Delivery Date	Order Date
Tuesday 2/19	Monday 2/12
Wednesday 2/23	Tuesday 2/13
Thursday 2/22	Wednesday 2/14
Friday 2/23	Thursday 2/15
Monday 2/26	Friday 2/16

Harrisburg Agencies	
Delivery Date	Order Date
Tuesday, February 20	Wednesday 2/14
Wednesday, February 21	Thursday 2/15
Thursday, February 22	Friday 2/16

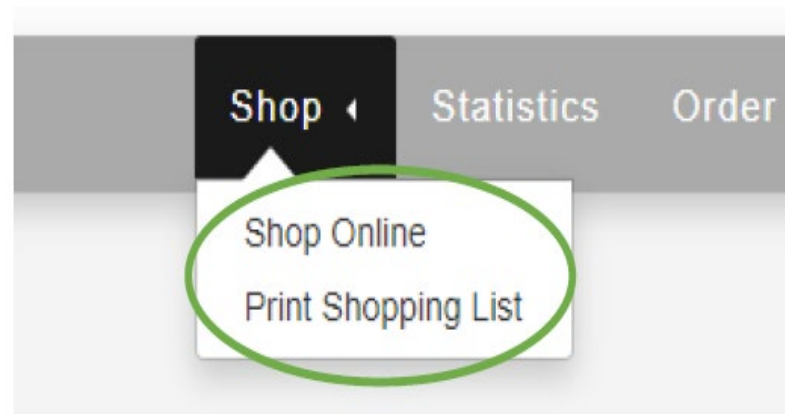

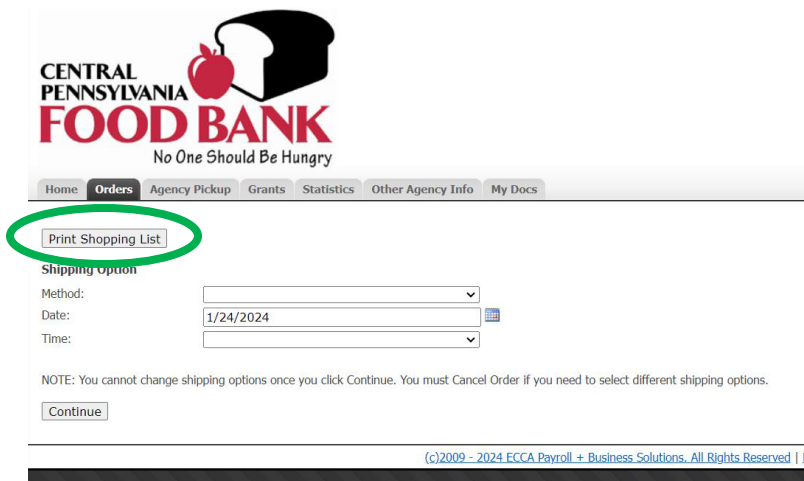

P2 homepage layout featuring a navigation menu (Shop, Agency Pickups, Statistics, Order History, Grants, My Documents) and a "Cart: 0 Item(s)" indicator. The main content area includes a "Welcome to P2!" banner with fireworks, a "Today's Specials" section, a "Nutrition Information" section with a list of links (Healthy Pantry Initiative Newsletter, HER Guidelines), and a "Baked Fish" section.

ORDERING SHEET

In Classic, you click "Order Enter", in P2 click on the drop-down menu labeled "Shop" on the far left of the grey bar to get started.

If you choose to print the shopping list, please remember that our inventory is updated often, and products move quickly. The Shopping List shows what we have in stock at that moment and cannot be guaranteed for future orders.

Placing Your Order

The menu itself is a huge change with 3 new looks. Just click on the upper right-hand icons to change your views. There is also a search bar that you can type in a product, and it will narrow down the inventory to products that contain that search word.

In P2, Click on "Sort By", then you can sort by Name or Price on the drop down menu.

The screenshot shows a product catalog interface. At the top left, there is a 'Sort By' dropdown menu with a green arrow pointing to it. Below the menu is a grid of product cards. Each card displays a product image, a title, a price per case, and an 'Add to Cart' button. The products shown include Southgate Chili, Southgate Chili W/Beans, Southgate Helpers Cheesy Tuna, Southgate Helpers Stroganoff, Macaroni, and Meal Trays.

This is a close-up of the 'Sort By' dropdown menu. The menu is open, showing the following options: 'Name' with a downward arrow and a list icon, 'Price' with a downward arrow and a list icon, and 'Clear Sorting' at the bottom. The background shows a blurred product image.

Filters:

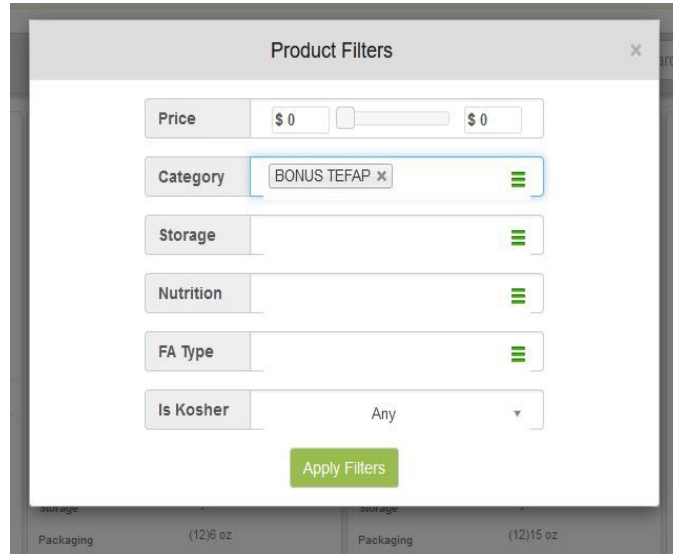

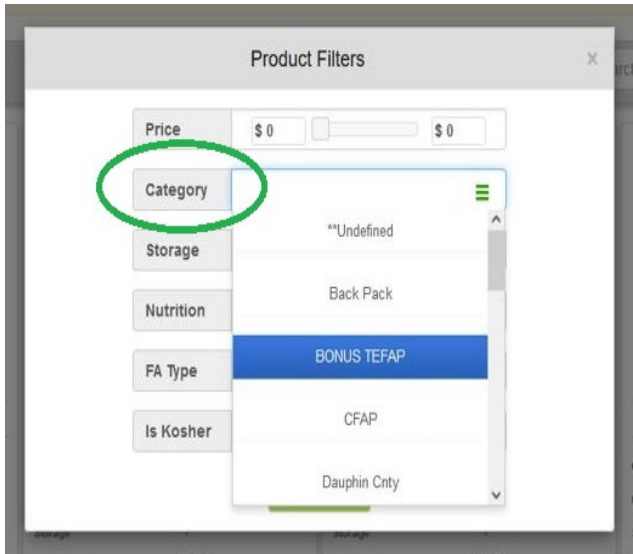

If you click on the **filters button** just to the left of the sorting buttons, a drop-down box appears to help filter the products more. These are no longer readily available in the menu list, and you must sort for them through this feature. This information is available on each individual product item.

Price:

This is a new feature. **There is no longer a box to sort for "Free Food"**. This feature is what should be used to now do that. Move the orange bar all the way to zero "0" and click Apply Filters.

Category:

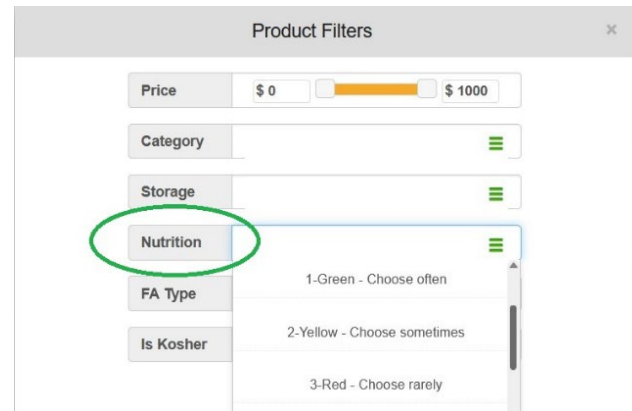

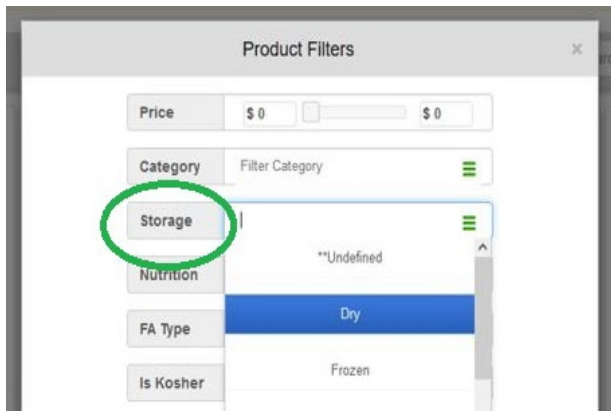

Use the drop down to select the type of product that you would like to see. If nothing is selected, then you will see all products that are available to your agency.

Ordering:

To add items into your cart, you must add an extra step of clicking the blue button of Add to Cart. You can hit Enter, but it will have a delay in adding.

To edit the number you have, change your quantity, and click the blue button that now says Update Cart.

Something else at the top of the screen that is different is that there is no longer a running tally of your order. You'll see your cart in the upper right-hand corner of the screen. To see your running tally of order weight, balance, and more, click on the caret next to your item count by the shopping cart in the upper right of the screen.
